To the Rector, Wardens Vestrymen
of Christ Church Philadelphia.

Gentlemen

Understanding that several
members of your body, & others belonging
to the Church are anxious to establish
a Chapel in the western portion of the
city, in order to accommodate, & retain
in the parish, that large portion of
its members who are now residing
in that district, and, believing as
I do that some such measure is
absolutely necessary to the permanent
stability & welfare of the parish; and
being informed by these gentlemen
that they would like me to take
charge of this enterprise, — I hereby
offer, to relinquish the entire salary
I now receive, in order that another

Assistant may be appointed to take charge of Calvary Church, I will depend for my stipend on the offerings at the new Chapel.

I remain with great respect

Yours &c
